I am the property owner to the address listed above. As such, I am giving my permission for my tenant/lessee to start refuse service in their name. I understand that by doing so, the tenant/lessee will be able to make changes to service, such as adding or deleting containers, extra pickups, etc., and this may involve extra charges. I agree that as property owner of the above said address, I will be responsible for all charges not paid by the tenant/lessee, and I understand that it is my responsibility to make sure these charges are made by the due dates, or I will be sent to the collection department to proceed with the collection process.

**Hesperia City Ordinance # 8.04.060 - Establishing Charges, is posted on the back of this agreement.**

The property owner of record within the city where any solid waste accumulates shall pay to the franchisee a fee in such amounts and in such manner as shall be established by resolution of the city council for solid waste and recyclables collected and removed from the place or premises by the franchisee. This section shall apply to all residential and non-residential property within the city. Nothing in this section is intended to prevent an arrangement, or the continuance of an existing arrangement, under which payments of solid waste collection fees are made by a tenant or tenants or any agent on behalf of the owner. Any such arrangement shall not affect the property owner's obligation for payment to the franchisee.
