City Ordinance

The property owner of record within the city where any solid waste accumulates shall pay to the franchisee a fee in such amounts and in such manner as shall be established by resolution of the city council for solid waste and recyclables collected and removed from the place or premises by the franchisee. This section shall apply to all residential and non-residential property within the city. Nothing in this section is intended to prevent an arrangement, or the continuance of an existing arrangement, under which payments of solid waste collection fees are made by a tenant or tenants or any agent on behalf of the owner. Any such arrangement shall not affect the property owner's obligation for payment to the franchisee.
